Vendor Rules

It is your responsibility to read these rules and communicate them to your employees

- **Weather** – All spaces are open to the sky and elements. **We require that all vendors secure their tents with at least 40lbs of weight.** We do not supply weights, tent stakes, tarps or any other materials. We are not responsible if your negligence impacts another vendor.
- **Staffing** – We understand staffing issues, but we encourage all vendors to have a staffed space during all public hours of the festival.
- **Behavior** – Be a good neighbor. This is a family friendly festival.
 - We reserve the right to not accept contracts, void contracts for bad faith, demand offensive material be taken down, and to have anyone removed from the festival.
 - We do not tolerate any fights or raucous behavior. Local police will be on-hand to keep the peace.
 - We already have one vendor for “light up, bubble wand, kid-toy, night-time” items. This one vendor,

and only this one vendor, is allowed to sell to the crowd during the night hours of the festival. The vendor contacts will be on-site throughout the festival and maintains great cardio health. **Do not make them track you down.**

- Sales representatives (barring the previously stated) may not sell out into the crowd and must stay 3 feet back from the walkway as marked. Signs/materials/etc must stay 3 feet back from the walkway as marked.

● Setup

- Setup is after 6:00 pm on Thursday to dusk and from 8:00 am to 5:00 pm on Friday. Teardown starts after 5:00 pm Sunday and ends at dusk.
 - You can drive your vehicle, slowly, to your spot during setup times.
 - No vendor vehicles will be permitted through the park after 4:00 pm on Friday and before 5:00 pm Sunday. We will have vehicle barriers up, so please do not plan on setting up or tearing down early.
- Electricity will be available after 6:00pm on Thursday. You must bring your own 100ft outdoor extension cord if you requested electricity. 115V is equivalent to your home electric wiring and can run lights, a small fan, etc. We require each vendor who is requesting an electrical hookup bring their own 100ft extension cord. Plug-in will be from a “spider box” located near your space.

● Liability & Insurance

- We recognize every festival carries with it some potential for liability for not only the festival organizers but the vendors as well. We will always aim to limit the potential for harm as much as possible. We will need a copy of your Certificate of Insurance naming the Fairview Park Municipal Foundation and the City of Fairview Park as additional named insured with respect to General Liability in these general situations:
 - If you intend to sell/give away **anything** that is meant to be ingested or applied to the skin that is not prepackaged by a company following all applicable health laws. For example: Giving away pre-packaged Oreo cookies does not need insurance.
 - We do not allow the following to be sold or given away at all:
 - Cosmetics/Insect repellent applied to the skin’ not made in a licensed and monitored facility, i.e. produced in your home.
 - Homemade food not made in a facility monitored by the Ohio Board of Health, i.e. your home. We do not accept the “Cottage Food Law” as evidence of health code conformance.
 - If you intend to host a physical entertainment-oriented booth, such as one where guests throw axes, throw a ball, ride a mechanical bull, i.e. anything that can potentially hurt a guest, etc.
 - Please see the separate food invoice/contract if you are a food vendor.

● Spot Location

- You are not guaranteed the same spot year after year. You may request the same spot and we will do our best to accommodate you, however we will never promise you the same location as in prior years. The festival layout WILL change.

● Multi-Year Contracts

- As we have entered into a long contract with our ride vendor, we know the festival dates for not only 2023, but 2024 and 2025. The festival will occur on the last weekend in July 2023-2025, Friday through Sunday.
- For returning vendors only, we are offering multi-year contracts. Terms:
 - Pay up front for two or three years, locking in the same rate. Checks only please.
 - Guarantees you a spot for two or three years. Note this does not guarantee you the same spot every year. Sponsorship packages will carry over.
 - We’ll still need annual insurance indemnification proof if insurance is required (see the Liability & Insurance section above).
 - No refunds if you cannot make the festival.
- Why enter into a multi-year contract?
 - Our festival layout is changing to allow a greater footprint for the ride vendor, meaning we

could be reducing the number of potential spots for independent vendors.
